## For Immediate Release

Des Moines, IA - Beaverdale Fall Festival announces new activities for the 2022 event, promises to have something for everyone.

"We are thrilled about the return of this beloved Beaverdale tradition," said Jennifer Harmeyer, Board President for the Beaverdale Fall Festival, "This year's festival promises a fun time for the whole family!"

The 2022 Beaverdale Fall Festival is scheduled for September 16-17 and preparations are well under way to bring this tradition back after almost a three-year hiatus. Many of our food, art and community vendors will be back along with some new vendors as well.

New this year will be a children's parade, improved Kids Zone and Trivia! We are also looking forward to old favorites such as the Car Night, Dog Parade and Bags Tournament.

After much thought, discussion on alternative routes, and communication with city officials, there will not be a parade this year due to the [Closes Creek Storm Sewer Construction](#) - which will be in full swing in early September.

The festival is actively looking for volunteers and sponsors to put on this great community event. Each of these events offers something for everyone and promises to be an event you won't forget.
